

Defined Benefit Consulting Associate

Velocity Staffing, LLC is a permanent and contract staffing firm that specializes in the fields of Human Resource Outsourcing, Consulting, and Corporate HR. With offices in NY and Michigan, Velocity recruits nationally, and leverages close to 40 years experience in staffing, consulting and corporate HR to help you find your next strategic career move. Our mission is to “help build careers, one interview at a time”.

Our client is well known for its outstanding benefits outsourcing services as well as an extensive benefits consulting service consisting of design, financing, delivery and communication of all employee benefit programs. They are reinventing the consulting experience for their clients through a commitment to responsiveness, expertise and accuracy.

As a DB Consulting Associate you will provide actuarial services and consulting advice to clients regarding their benefit programs with a specialty in defined benefit plans.

Responsibilities include:

- Lead project management on consulting projects under supervision from lead actuary
- Oversee multiple, concurrent consulting assignments and follow through with clients at senior decision making levels to implement recommendations
- Interacts with clients on a daily basis and manages client presentations
- Works on special projects as needed, such as non-discrimination testing, design studies and financial management.
- Defined Benefit Consulting Associate also participates in and contributes to people development and training in the office

Requirements:

- Bachelor's degree preferably with a concentration in mathematics or actuarial science
- Demonstrated communication, project management, business and staff development, and client relationship skills
- Four + years of experience in a pension and benefit consulting firm or related industry

Skills/Knowledge:

- Knowledge of benefit program design, legislative, account and regulatory requirements such as: IRS, DOL, FAS, PBGC, ERISA.
- Preferably at least 3-5 actuarial exams

This is a full time position located in New York; however, these jobs are available at multiple locations around the country.
